Akure, Ondo State, Nigeria

## Vacancy Teachers

We are seeking to appoint excellent, forward looking, dynamic and innovative teachers to deliver the lofty objectives of teaching and learning at Preston International School – a forward-looking, innovative and exceptional Christian secondary school in Ondo State, Nigeria.

Salary: Negotiable – depending on qualifications and experience

### **Job Description:**

Your job is to plan, prepare and deliver exciting lessons which will lead to accelerated learning for our brilliant pupils who are currently in JSS1 and 2. By September, 2008, these will be from JSS1 – 3. You will be joining a motivated, dynamic and highly performing staff team. You will be required to use your initiative to put together schemes of work which will be a blend of the British and Nigerian Curriculum. Your willingness to learn and adapt to international standards is of prior importance to us.

You will be responsible for the following:

- The teaching and learning activities that will go on in your designated classes. This will include effective planning, preparation and assessment of all learning activities and resources. Marking is compulsory and is done daily as prompt and effective feedback is needed to accelerate our pupils' learning.
- Monitoring of pupils learning using effective Assessment for Learning (AfL) strategies and a combination of other monitoring techniques.

- Recording of pupils' performance.
- Reporting of pupils' performance to parents and others.
- Accountability of all matters related to teaching and learning in your area.
- Other non-teaching duties such as meal-time supervision, prep class supervision and involvement in co-curricular activities.

The above list of responsibilities is not exhaustive, and other duties and responsibilities may evolve to the post-holder.

### **Person Specification**

We are looking for teachers with years of experience in teaching preferably in reputable private schools.

Working hours (official): 7.30am to 5.30pm (Mon – Fri) and occasional Saturdays. As this is a residential school, your responsibility towards the entire school community does not finish with the official closing hours. You will still be required to continue to participate in the school life – in a more relaxed, informal manner after school e.g. playing tennis or football or offering to assist with the extension or prep classes. Willingness to reside on the premises is clearly an advantage.

### **Essential Criteria:**

- Good decent and attractive dressing/appearance.
- Excellent classroom practitioner with years of proven experience.
- Good communication skills.

- Computer Literate (proficient in the use of Microsoft Word, Excel and Powerpoint).
